

Crystal Coast Habitat for Humanity Presents: Taste Of The Town

On Monday, May 1, at the Crystal Coast Civic Center in Morehead City, Habitat for Humanity will present the first annual Taste of the Town.

Representatives from twenty local restaurants will be on hand to offer a taste of their finest cuisine. From 4:30 p.m. to 7:00 p.m., ticket holders will be able to sample food from any or all booths. The restaurants will also be competing for the best of Appetizers, Entrée's, Desserts and Presentation. One other category will be "The Peoples Choice" where diners will be able to choose what they considered their favorite.

The evening will be a casual one with booths set up

around the Civic Center and each restaurant will be decorating their individual space. Tables and chairs will be set up for diners to sit down and relax while they enjoy the good food and great music.

This first ever event is proudly sponsored by Accent Travel & Cruises and Wachovia Bank, and will feature not only appetizers, entrée's and desserts, but live entertainment and a fifty-plus item raffle. Raffle tickets will be sold separately and are priced at \$1 each or six for \$5 and 14 tickets for \$10.

Tickets for Taste of the Town can be purchased at the following locations: Habitat for Humanity Office at 1412
